Thigibh is cluichibh
Come and Play

Thigibh is cluichibh is a series of videos aimed to help pupils
practise a range of tunes and songs from the Stòras na Fìdeig
resource pack. The videos will aid practise between music
sessions in class / with a tutor and allow pupils to play along no
matter what stage they are at. Each video is split into a number of
sections:

- For tunes (e.g. Hot Cross Buns), there are slow, medium and full
tempo versions within each video to cater for classes learning at
different levels.

- For Gaelic songs (e.g. Sìne Bhàn), pupils will hear the tune,
followed by the song chorus before hearing the full
arrangement.

You can also use the ‘settings’ icon on
the YouTube player to increase /
decrease the speed of a video, allowing
you to tailor the tempo to suit your
needs. Click on the ‘settings’ icon followed by ‘Playback speed’
to make use of this.
